Sunset Players, Inc. is a community theater group located on the west side of Cincinnati. We are currently celebrating our 30th season.

Each year we generally produce four shows: three "regular season" productions plus a December children's show. By producing a children's show as a "workshop" production, we provide an opportunity for first-time actors, directors and technicians to prove themselves, and, at the same time, enjoy the most appreciative audience around: children!

Sunset Players always welcomes new members. Our monthly meetings are the first Monday of every month (unless it's a holiday, then it's the first Wednesday). If you're interested in community theatre and have some time to give, we invite you to become part of the Sunset family.
